Some routes are served by Ro-Pax vessels and some are dedicated freight services designed specifically for accompanied and unaccompanied units.

### The network is easy to access - wherever you are!

You can choose from a range of user-friendly, secure booking options and also our Customer Support Teams will be happy to take your calls and support you with your reservations on any Stena Line route.

# Customs service

## Scandinavia and UK

Through our experienced customs service team, we make sure to provide you with the best customs solutions for you.

Stena Line holds an Authorized Economic Operator (AEO) certificate in Sweden and Denmark. This means that our customs procedures are efficient and compliant. It also means that our customs clearance departments have access to quicker and more simplified customs procedures, which gives our customers a faster and more dynamic experience.

The extensive experience we have with imports, exports and T-documents in the EU countries and Norway enables us to provide an excellent and specialised service for our customers. We handle all types of declarations from all Scandinavian borders and ports of entry into these countries. Our Denmark-based team at the office in Frederikshavn can assist you with all customs service solutions in Norway, Denmark and Sweden and UK.

Our team based at the border at Svinesund, Norway is in close contact with our office in Denmark, and will support you with customs solutions, including services for your drivers.
