INTERMODAL SOLUTION Gothenburg–Kiel with northern and southern Europe

Our customers' needs for intermodal solutions are steadily increasing. We work closely with our partners in the logistics industry to connect road, sea and rail in a fast, optimised and seamless shipping process.

Supply chain by intermodal rail and ferry

With access to one of the most extensive short sea networks and frequent departures, we link the intermodal networks across Europe with our services. These services have been designed to work in line with our sustainable shipping goals.

Our dedicated and flexible departures are adapted to match connecting trains, ensuring a punctual and highly reliable delivery service. Throughout the journey, our experienced support team are ready to assist you with any questions you might have.
