Stena Line Intermodal Terms and Conditions

Standard Terms

All business is subject to:

- Stena Line Group's **Standard Terms of Business for Freight Customers**
- Conditions of Carriage of Goods by Sea [General Terms - Stena Line Freight](#)

Please visit our website for details. www.stenalinefreight.com

Applicable Terms

For all matters not covered by Stena Line Intermodal Conditions of Carriage or Stena Line General Terms, the **General Terms and Conditions of the respective train operators** will apply:

Kombiverkehr <https://www.kombiverkehr.de/en/become-a-customer/requirements>

TX Logistik <https://www.txlogistik.eu/service/downloads-road-rail/>

Cargonet <https://cn-customer.vydev.io/en/terms-and-conditions>

Green cargo <https://www.greencargo.com/en/book-transport/terms-conditions-and-price-lists>

Euroports <https://euroports.de/terminals/rostock-trimodal-gmbh/>

Additional Handling and services

All additional costs incurred at connecting terminals will be re-invoiced to the customer.

Such as repair costs, parking and handling fees, No-show fees, dangerous goods surcharges and electrical connection fees.

Charges for additional services at terminals such as handling ADR units or performing extra lifts, will be invoiced according to the tariff of the respective terminal.

An administration fee of €35 per case applies.

Additional Charges and Terms

Please note that the following surcharges are **not included** in the above agreement and may apply to the sea leg:

Train Energy Surcharge (TES) (www.stenalinefreight.com)

TraFöG (Rail Track Fee)

Infrastructure Surcharge EUR 16,00/unit on Rostock-Verona v.v via Kombiverkehr

No show

A **no-show fee** will be charged for units not canceled at least one day prior to departure.

Cancellations must be made before **12:00 PM on the day before departure**.

Storage and Handling

All costs for storage and handling will be invoiced to the customer in full, in accordance with the applicable terminal tariff.

Parking time will be calculated based on the general terms and conditions of the respective terminals.

This calculation is independent of operational processes related to departure and arrival handled by the train operator.

The customer is responsible for arranging temperature control and refueling of cooling aggregates.

Units Requiring Repair

By confirming your booking, you authorize Stena Line to arrange minor repairs (e.g., tarpaulin scratches, broken customs seals detected by train security)

to ensure the unit depart by train. Repairs costing up to €100 will be carried out and invoiced without prior approval.

For repairs exceeding €100, Stena Line will request customer approval before proceeding.

Claims Procedure
