Note: Hauliers will have a time frame, according above schedule, from when the goods arrive on the terminal (scheduled arrival time of the vessel) to finalise the customs formalities. If the customs formalities are not finalised within this time frame and the units are still on hold by Dutch Customs, accompanied units will be shipped back to the UK to release space on the terminal. If the driver would refuse to return aboard, the driver must leave the terminal. When the driver refuses to be shipped back to the UK and the unit is parked on the quay during the night, the terminal reserves the right to charge a release fee of € 250,00.

The release fee must be paid by the collecting driver before access will be given to our terminal. The fee can be paid by cash, debit, or credit card or via credit card transfer by the company.
